

CLAIMS

I claim:

- 1 1. A prayer aid, comprising:
2 a pillow having an outer casing including at least an outer
3 cover;
4 at least one pocket attached to the outer cover, the pocket
5 defining an opening; and
6 at least one prayer card disposed in the pocket.
- 1 2. The prayer aid according to claim 1, wherein said at
2 least one prayer card comprises a plurality of prayer cards.
- 1 3. The prayer aid according to claim 1, further comprising
2 a flap disposed above said pocket, the flap being movable
3 between a closed position covering the pocket opening and an
4 open position exposing the pocket opening for access to said
5 prayer card, the flap preventing the prayer card from
6 accidentally falling out of the pocket.
- 1 4. The prayer aid according to claim 3, further comprising
2 means for securing said flap in the closed position.

1 5. The prayer aid according to claim 3, wherein said flap
2 has a buttonhole defined therein, said pocket further comprising
3 a button affixed thereto mating with the buttonhole in order to
4 temporarily secure said flap in the closed position.

1 6. The prayer aid according to claim 1, wherein said at
2 least one pocket comprises a plurality of pockets.

1 7. The prayer aid according to claim 1, wherein said at
2 least one pocket further comprises an overlapping pair of
3 pockets.

1 8. The prayer aid according to claim 1, further comprising
2 an ornamental design attached to the outer cover of said pillow,
3 said pocket being defined between the ornamental design and the
4 outer cover.

1 9. The prayer aid according to claim 1, further comprising
2 a fabric cross attached to the outer cover, at least one pocket
3 being defined between the fabric cross and the outer cover of
4 said pillow.

1 10. The prayer aid according to claim 1, wherein the outer
2 cover of said pillow is configured to resemble a shirt having a
3 collar defining a neck opening, said at least one pocket being
4 configured to resemble a shirt breast pocket.

1 11. The prayer aid according to claim 10, wherein the
2 pillow casing further comprises an inner lining disposed within
3 the neck opening, the inner lining defining at least one pocket
4 within the neck opening.

1 12. The prayer aid according to claim 10, further
2 comprising a seam pocket having an opening simulating at least a
3 portion of a shirt seam extending between the collar and a side
4 of said pillow.

1 13. The prayer aid according to claim 1, wherein said
2 casing further comprises an inner lining having a pocket defined
3 therein.

1 14. The prayer aid according to claim 1, wherein said
2 pillow is configured to simulate a bear paw, the prayer aid
3 further comprising ornamental fabric patches attached to the
4 cover and configured to resemble toe pads and a sole pad, the
toe pads and sole pad each defining a pocket.

1 15. A prayer aid, comprising:
2 a pillow having an outer casing including at least an outer
3 cover;
4 a plurality of pockets attached to the outer cover, each of
5 the pockets defining an opening;
6 a flap disposed above at least one of said pockets, the
7 flap being movable between a closed position covering the pocket
8 opening and an open position exposing the pocket opening for
9 access to said pocket and
10 a plurality of prayer cards disposed in said pockets.

1 16. The prayer aid according to claim 15, further
2 comprising an ornamental fabric design attached to the outer
3 cover and at least one pocket defined between the fabric design
4 and the outer cover.

1 17. The prayer aid according to claim 15, wherein said
2 casing further comprises an inner lining defining at least one
3 pocket.
